The new Parish Finance Committee

We have established a new single finance committee with representatives from both sides of the parish. The Committee meets regularly working with the Parish Priest in an advisory capacity on all matters including maintenance, use and security of parish property, preparation and monitoring of parish finances, personnel matters, means of assuring adequate parish income, prioritisation and funding of capital expenditures and annual reports both to the diocese and to the parishioners. The financial statement for 2018 has been completed by the accountants DF Dillon and Co. Mullingar and will be presented in November. A word of Sincere thanks and gratitude is offered to previous finance committees who served the parish.

Parish Development Fund Envelopes

The new boxes are currently being distributed in the parish. We ask that you start using your new box from NEXT SUNDAY 3rd November

Please consider using the weekly envelope if you are not already doing so. Boxes are available from the parish office. Alternatively you can contribute to the parish by Bank Standing Order. Many parishioners find this convenient it helps "get into a regular habit." Standing Order forms are also available from Josie in the parish office. Just fill it in and return to us and we'll do the rest.

To all who contribute to the financial support of the parish and clergy especially to our collectors, counters and those who distribute the envelopes I say.....
