Prayer to the Mother of The Lord for all Mothers

Mary, on this day when we honour all mothers, we turn to you. We thank the Lord whom you serve for the great gift of motherhood. Never has it been known that anyone who sought your intercession was left unaided by grace.

Dear Mother, thank you for your "Yes" to the invitation of the angel which brought heaven to earth and changed human history. You opened yourself to God's word and the Word was made flesh and dwelt among us.

Dear mother, intercede for all of our mothers. Ask your Divine Son to give them the grace of surrendered love so that they could join with you in giving their own "Fiat." May they find daily strength to say yes to the call to the sacrificial love- the very heart of the vocation of motherhood. May their love and witness be a source of great inspiration for all of us called to follow your Son.

On this Mother's day, Mother of the Word Incarnate, pray for us who have recourse to you...

In the Name of the Father, the Son and the Holy Spirit. Amen

Let us pray that we be cured of every disease and illness

Lord Jesus Christ, you travelled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

Heal those who are sick with the virus. May they regain their strength and health through quality medical care. Heal us from our fear, which prevents nations from working together and neighbours from helping one another.

Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders, Help us to be attentive and to play our part well. Amen.
