*Let us pray that we be cured of every disease and illness
Lord Jesus Christ, you travelled through towns and
villages "curing every disease and illness."
At your command, the sick were made well. Come to
our aid now, in the midst of the global spread of the
coronavirus, that we may experience your healing
love. Heal those who are sick with the virus. May
they regain their strength and health through
quality medical care. Heal us from our fear, which
prevents nations from working together and
neighbours from helping one another. Heal us from
our pride, which can make us claim invulnerability
to a disease that knows no borders, Help us to be
attentive and to play our part well. Amen.*
