Tax Rebate Scheme for Charities

As a charity, the parish can claim the tax back on donations of €250 and over that parishioners have paid. This rebate scheme has no implications for your income, it simply allows people to give donations to a charity tax free. CHY 3 forms have been sent from the parish office this week to parishioners whose annual donation meets the €250 + If you have received one of these forms, I appeal to you in these challenging times to fill in your PPS number, sign and return it in the enclosed envelope. Your personal data will be used solely for the purpose of this scheme

Many thanks for your continued support.
