

The Parochial Hall Kildalkey

The hall as is currently stands is in need of major and minor works. As a church owned building, we are not eligible for government funding schemes. This leaves us with a predicament concerning the use of the hall and future planning.

In 2022 we spent **€7055.43** on heat, light, maintenance, water and insurance. The income from those who use the hall amounted to **€3,765.00**, made up from contributions from Bowls, GAA, Scouts and Badminton groups. The shortfall was made up by the parishioners who contribute at Mass. If you have any suggestions or ideas or proposals please come to a meeting in the hall on **Thursday the 25th of May at 8pm.**
